TESTIMONIALS & CONTACT INFORMATION

"We have used Sandalon Ltd. for our building security for many years. Their security staff are very friendly and highly professional. The service has always been excellent and Sandalon have proven themselves to be very responsive to late requests for security cover. We enjoy peace of mind from being secured by a trusted local security company."

"We have worked with Sandalon Security for over 15 years. During that time they have provided Walls Construction with excellent service, both in terms of their professionalism, the quality of their staff and their back up and emergency service, which is 24/7. I would recommend Sandalon to any organisation."
